

COACHING

Zenger Folkman research found that **no other leadership behavior is more correlated with increasing employee engagement than a leader's coaching effectiveness.**

Here's why coaching is a critical skill every leader should possess...

#1 LEADERSHIP BEHAVIOR

**LEADERS THAT ARE
THE MOST EFFECTIVE AT COACHING HAVE**

3X

**MORE EMPLOYEES THAT
"GO THE EXTRA MILE"**

INTRODUCING *THE EXTRAORDINARY COACH™* PROGRAM

The Extraordinary Coach™ workshop enables your leaders to improve the performance and capability of their teams by introducing and practicing FUEL, a flexible coaching framework. The workshop presents the overall business case for coaching, while also providing individual insight through the Coaching Attitudes and Preferences assessment. Coupled with world-class video demonstrations and personal development plan creation, all these elements equip your organization to create a coaching culture.
