

The **CLEMMER** Group
Stronger People. Stronger Organizations.

a strategic partner of

ZENGER | FOLKMAN

Our Clients

Zenger Folkman and our strategic partners provide leadership training and development programs to clients large and small, public and private, located in every corner of the world.

Our strengths-based leadership programs have been delivered to thousands of individuals and teams across North and South America, Europe, the Middle East, Asia-Pacific, and Africa. From teams of Fortune 500 line executives with global responsibilities to individual contributors in non-profit service organizations, Zenger Folkman has the tools to help organizations build extraordinary leaders.
